

MoonLite

June • 2016

The off-month supplement of *The Moonstone*

Province Notes

From the Seneschal: A request was made that the Province donate \$20 to support volunteer activities at 50th. A vote will be taken at the end of the June Meeting on this matter.

From the Chatelaine: An email has been received from some folks in Buxton who are interested in equestrian activities. We are looking for Malagentians who do equestrian stuff. If you have an interest, please contact Thalia.

The PortCon Demo is Sunday, June 26 from 1-3 pm. Volunteers are needed.

The Whatever Festival Demo is Saturday, June 25. Volunteers are needed for this as well.

The Great Falls Balloon Fest is Saturday, August 20. There is camping space available. Contact Sigrid or Thalia for more information.

From the Chronicler: Newsletters arrive periodically. Old newsletters will continue to be processed and put up on the Website.

From the Minister of Arts and Sciences: Dance Practice is the second Thursday of the month from 7 to 9 at the Big White Church in Gorham.

Bardic Brunch is the third Sunday of the month. Contact Frederick for directions.

Scribal and Friends is June 17th at the Big White Church in Gorham from 6:30-9 PM. Bring your scribal work to get advice from fellow scribes or bring a project to work on with the non-scribal folks.

Disonnatas is the third Thursday of the month. Please contact Mickel for official times and directions.

Craft Night at Freegate is the first and third Mondays of the month at Max and Mickels. Contact them for directions and times or look for their announcement on the Malagentian Facebook Page.

From the Herald: Two new entries have

been submitted, more are in the works. If you have an interest in registering your name and device, contact Nicholas. The cost of registering names and devices increases to \$9 each after July 30.

From the Web Minister: If you notice spam coming through to your EK Officer email account, please let Magnus know. Surveys are being devised to find out about the functionality of the website. More on this will be available as the surveys are finalized.

From the Exchequer: The Province has about \$22,000 in the bank between Malagentia and the Ridings. This money will go down as we get closer to GNEW. Please be frugal.

From the Knight Marshall: Lots of fighting is happening right now. There are 8 regular fighters since September and about 15 more sporadically, including 4 women. The tight loaner gear situation is starting to level out as people start to get their own equipment. The rattan that was purchased at Birka is being turned into more loaner swords and polearms. New loaner gauntlets are coming.

We are on the quad at USM Portland campus unless it rains and then we go back inside. With GNEW and Pennsic coming, we'll be doing melee drills.

From the Rapier Minster: We have fencing! Outside practice at the USM Portland campus while the weather is good. There is a practice in Giggleswick on Friday, June 3.

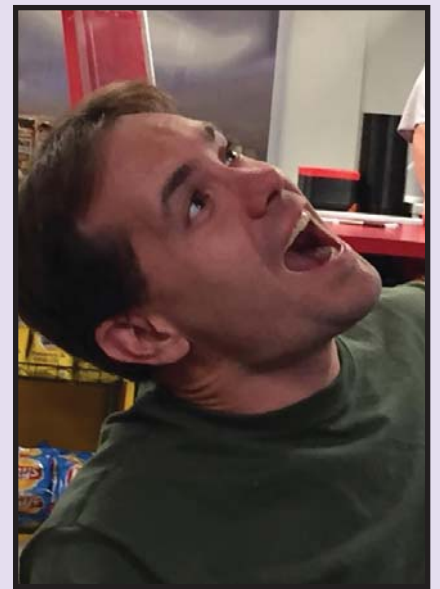

From the Mistress of the Lists: The Kingdom MOL has announced that expiring authorization lists can no longer be published because of a concern that it might be considered public shaming. She will try to email reminders to fighters as necessary.

(June continues Page 2)

Malagentian Mayhem

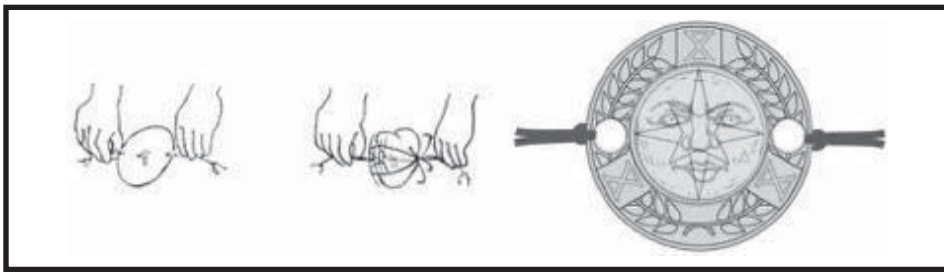

Congratulations to **Lady Roxanne Ravenhall** for her Award of Arms given at War of the Roses in Concordia of the Snows.

The College of Heralds has registered the name **Johannes von Braunschweig**. Now to come up with arms. Are codpieces an acceptable charge for heraldry?

Proof that Crowe really was at the June Province meeting! We have no idea what he was doing when this photo was taken.

GNEW 30 Site Tokens designed and cast by Stephan of Silverforge.

(June continued from Page 1)

From the Captain of Archers: There is more archery than you can shoot a stick at (Ba-dum-bum). Ravensbridge is having dynamic Saturday practices even without a permanent range (contact Magnus or check the Ravensbridge Facebook page for locations and updates). There are no Gorham practices the week of Huginn and Muninn but otherwise practices happen Saturdays as posted. The Province is also the proud owner of 3 new archery targets.

From the Quartermaster: Inventory of storage is now done. Speedbump is still tracking down stuff that is currently not in storage. If you have anything that belongs to the Province that is currently being stored at your house, please let him know so he can make a record of it.

Mistress Carolyne has gifted the Province some items with the Malagentian emblem including banners, belt favors and archery arm guards.

From the Chancellor Minor: There is a Youth Fighter Practice scheduled for Saturday, June 18 from 10 to 2 at Q's in Standish. If you have ideas for youth activities, please contact Thalia.

Other Business

With the graduation of our very own Marie "Sparky" D'Agincourt, a new **representative for the Blade Society** at USM is needed. If you would like to be of service to the Province in this way, please contact Honig for more details.

There were several line items up for vote at the June meeting.

Item 1 is \$500 for a 26x16 carport for demos. It will need padded sandbag weights to help keep it from flying away when it can't be staked (such as in a parking lot). This is an item that should be purchased before GNEW and Crowe will investigate if they can be purchased cheaper through his work.

Concern: Carport durability for repeated set ups and break downs.

Response: The reason that the carport is so expensive is because we will get a quality carport that can take the abuse of wind and weather.

Vote Results – Aye:16 Nay:1 Abstain: 0

Item 2 is \$20 for Volunteer Services at 50th.

Vote Results – Aye:18 Nay:0 Abstain: 0

Item 3 is Additions to the GNEW Budget. Rental of three additional port-a-johns for around \$600.

Vote Results – Aye:18 Nay:0 Abstain: 0

5 Greywater Barrel Replacements with no known cost at this time.

Vote Results – Aye:18 Nay:0 Abstain: 0

GNEW Update

There will be a Curia at GNEW. There is no agenda yet.

There are links to volunteer for GNEW Setup, Gate shifts, and Info point shifts. Please help make the workload easier for everyone and consider signing up for a shift.

Watchers for the A&S display are also needed. Please volunteer to help keep the display safe!

If you have not already seen online, the site tokens are toys. **THEY ARE TOYS, PEOPLE!!** Thank you to Stephan and his token making crew for their hard work and for the sacrifice made by the microwave. Extra tokens will be sold as a fundraiser for Giggleswick.

Sunday breakdown crew is, as it always has been, in need of hands to help out. Please, if you are not driving too far, we could really use the help for breakdown.

Crown Bid

A site for the Crown bid has been found. The Boyscout Camp in Raymond will let us use the site and will charge \$1000. This is a wet site and camping – such as can be had in November in Maine – will be available. We will have access to the camp Friday night to Sunday night. There is space for indoor fighting if necessary as well as kitchen facilities. A bid is being written up and if accepted, Crown will be November 12, as this is the date that the camp is available. Keep your fingers crossed.

If the bid does go through, we have been invited to do a demo for the boy scouts sometime in the future.
