If you cannot email in advance, please attend the meeting to discuss financial needs. The budget will then be presented to the Province in December for questions and discussion, voting will take place in January.
- b. **Elections** coming up at the end of the year—we'll be taking nominations in November with voting in December, both at the normally scheduled Province meetings.

7. Questions? None

- 8. **Closing:** Hoping to see everyone at Harvest Moon next weekend. Would encourage everyone to invite friends to come by and see what the SCA and Malagentia is all about, there will be plenty of Gold Key (loaner garb) available. It's a great introductory event, looking forward to it :)
